We are delighted to invite you to our joint Sutton and Croydon SSP conference!

We all know that being outside is good for our health and wellbeing. This year we will be focussing on using creativity, ingenuity and resourcefulness to turn the open air into effective and adventurous teaching spaces. We aim to provide you with practical workshops which will give you a wealth of ideas on how to move more curriculum subjects' outdoors and teach them through OAA themes.

It has been a long hard year and we would encourage you to join us for a valuable CPD opportunity to kickstart much-needed PE and physical activity throughout our learning curriculum. The venue and its environment provides us with an invigorating and inspiring space to think, try new things, have fresh ideas and connect with colleagues.

### **Highlights of the day include:**

- **Keynote speaker: Louise Edwards SOLD Manager**
- **Wider curriculum sessions delivered by specialist SOLD staff**
- **PE and Health workshops delivered by SSP staff**
- **Opportunities to discuss, reflect, share best practice and network with colleagues.**
