

The POWER of SPORT

CASE STUDY;

Rugby – Henri Levee & Logie Bruce Lockhart

Henri Levee was born in Paris 1885 and was a French international rugby union player. He played centre for France and was a well known athlete of the game. He served in the French army during the 1st World War.

He was a practicing Catholic, but despite his beliefs he was rounded up and deported as a Jew in Paris upon Nazi invasion of France. He died on the 26th March 1943 aged 58 in the German concentration camp Sachsenhausen.

Logie Bruce Lockhart born in 1921 was a Scottish international rugby union player. After attending Cambridge he was drafted to serve with the 9th Sherwood Foresters and then the 2nd House Cavalry in WWII.

In the final years of the war, the bravery which he displayed on the rugby field was used behind enemy lines to play a part in liberating the notorious Belsen concentration camp. He then led humanitarian efforts at an overcrowded refugee camp on the Russian frontier.
